## Legal

### How can I avoid being charged interest?

Pay your Monthly Balance as of the end of last month in full by the payment due date this month in order to obtain your Grace Period.

### How do you calculate the Balance Subject to Interest Charge?

We use the "daily balance method (including new Transactions)" to calculate interest owed on each category of Transactions on your Account each month.

We determine the daily balance for each balance of your Account as follows:

- we begin with the balance at the end of the prior day (excluding interest for that day); then
- we add the prior day's interest; then
- we add any new Transactions from that day (unless your Account qualifies for a Grace Period on New Transactions); and then
- we subtract any new payments or credits posted to your Account that day (and not already deducted from your Account).

If any daily balance is less than zero, we treat it as zero. Additionally, if you had a Grace Period on New Transactions in the prior month, we subtract all payments and credits that are posted within the current month as of the first day of the current month.

### How can my variable APR change?

Variable APRs may increase or decrease each month if the Prime Rate changes. Your APR for purchases is a variable rate. If the Prime Rate changes, the new variable APRs will take effect as of the first day of the next month and apply to existing and new balances. Any increase in the Prime Rate may result in an increase to your interest and Minimum Payment Due.

The "Prime Rate" in effect for a given month is the highest U.S. Prime Rate published in the print edition of The Wall Street Journal (WSJ) on the last day of the prior month that the Prime Rate was published. If the WSJ does not publish the Prime Rate on that day, then we will look to the last day before then that such rate was published.

### How do I make payments?

You may make electronic payments on your Account through Apple Wallet or at [card.apple.com](https://card.apple.com)

### When will you Credit my Payments?

We credit electronic payments made by 11:59 p.m. Eastern time on the day the payment is made.

### Do you report my information to credit bureaus?

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit bureau report. If you believe that there is an error in the information we have reported about you to a credit bureau, contact us at Goldman Sachs Bank USA, Salt Lake City Branch, Lockbox 6112, P.O. 7247, Philadelphia, PA 19170-6112. Please include a copy of the information you believe is incorrect.

We credit report to the following credit bureaus: Equifax, Experian, and TransUnion. You may contact Equifax, Experian, and TransUnion at Central Source, LLC P.O. Box 105283 Atlanta, GA 30348-5283.

### What if my card is lost or stolen?

Contact us immediately using Messages or at 877-255-5923.

### See your Apple Card Customer Agreement for definitions and other important information.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

### Your Rights If You Are Dissatisfied With Your Purchase:

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, write us at:

Goldman Sachs Bank USA, Salt Lake City Branch  
Lockbox 6112, P.O. Box 7247, Philadelphia, PA 19170-6112

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
