Customers shall pay in full by the 15th day of each calendar month the total invoice amount. If Customer fails to pay in full by the 15th day of each calendar month then a finance charge of \$56 per month or 5% of the outstanding invoice, whichever is greater, will be assessed to the outstanding balance. In the event of collections, Customer agrees to pay reasonable attorneys' fees, collection costs, legal costs, prejudgment interest of 18% per annum and all other costs associated with the collection.

Amount Due
